FOR IMMEDIATE RELEASE

Corps of Engineers lists “Operation Blue Roof” locations for Nov. 13th

JACKSONVILLE, FLA. – The U.S. Army Corps of Engineers, Jacksonville District, announces Right of Entry forms will be available on November 13th at the locations listed below. Locations are open in 13 south Florida counties. After November 13th, five counties will be consolidated: Okeechobee, Brevard, Indian River, Glades and Monroe. After Sunday, service to residents from these areas will continue from centers still open in the other counties.

If homeowners wish to take advantage of the program, they are encouraged to visit the remaining ROE locations to sign up for assistance at the earliest date possible.

The Operation Blue Roof program provides a temporary remedy for roof damage sustained during Hurricane Wilma. A homeowner must first sign the right of entry form before workers can assess the amount and type of roof damage and whether installation of blue plastic will constitute an appropriate temporary repair. Only primary residences that have sloped, shingled roofs are eligible to receive a blue roof. Roofs with greater than 50% structural damage, metal, tile and flat roofs are not eligible.

Right of entry collection centers are open daily from 8 a.m. to 5 p.m. unless indicated otherwise.
